**Statement Regarding Duty to Disclose Information Material To Patentability Under 37
CFR 1.56 (a) and (b)**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of a claim of the subject application, Attorneys for Applicants hereby notify the U.S. Patent and Trademark Office of the document listed on the attached PTO Form SB/08A, which may be deemed relevant to the patentability of the claims of the above application. One copy of each of the listed documents is submitted herewith. The submission of listed documents is not construed an admission that any such document constitutes prior art against the claims of the present application. Furthermore, Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the subject application.

The Office is authorized to charge any other necessary fees related to this application to Deposit Account No.50-0970.

Respectfully submitted,

Date: October 09, 2002
